FOOD & DRINKS

YOUR HOSTS

A WARM WELCOME

Dear guests,

We are Steffi and Oliver Müller. Once again this year, we have built the X-Mas Lounge for you:

**Europe's largest
two-storey Christmas market café,
with over 350 m² across two floors.**

We want you to feel at home here. Our team and the two of us are always here for you. If anything is not quite right, please let us know. And if you have a lovely time, do tell us too – and share it with others. That is what makes it all worthwhile.

“This is the life.”

A drink in your hand, the Christmas market spread out before you –
if you savour that moment, we have done our job well.

We wish you and your loved ones a wonderful Advent season,
a peaceful Christmas and a happy, healthy New Year.

Your hosts, Steffi and Oliver Müller

FEUERZANGENBOWLE

A little piece of Essen's history, a flicker of flame and a drink to savour: our Feuerzangenbowle celebrates Heinz Rühmann, born in Essen in 1902. One of Germany's great actors of the last century, he starred in the 1944 film "Die Feuerzangenbowle".

Heinz Rühmann's heirs and the winery behind this wine loved our idea. They chose us to serve this special red-wine Feuerzangenbowle – the only Christmas market stall allowed to do so. That is something we are very proud of.

The recipe is a closely guarded secret. Its fine quality and wonderfully fruity taste won us over from the start.

We gently warm this drink, made from fine ingredients. Then we place a cone of brown sugar soaked in rum over your mug and set it alight. Now for the magic: the flame dances, the sugar caramelises and slowly drips into the warm wine.

Almost all the rum burns off. At around 10–12% ABV, the drink is similar in strength to a good mulled wine.

Enjoy this little show of flames. We hope you enjoy every sip and your time here together!
